"DESTINED TO SERVE"

October 2, 2020

Mission Statement:

The Mission of Westchester Area School is to inspire and motivate our students to seek God first and become His disciples, pursue excellence in their academic, physical, social, and emotional development, and to care for their fellow men and our environment.

It is already October. It is what would have been our Apple picking time. We will not murmur or complain. If at all possible, you can visit a farm as a family or buy some apples and make an apple treat with your child. Students are adjusting and we continue to pray for our families. We are committed to doing our part in facilitating quality education for all our students and families. Please do not hesitate to reach out and connect so that we can meet your needs. We are experiencing some challenges in getting some services to get our building ready for students and as well as following the mandates as they are released. We appreciate your patience as we work together,

FOOD FOR THOUGHT

"The fear of man brings a snare, But whoever trusts in and puts his confidence in the Lord will be exalted and safe." Proverbs 29:25

Students are to be dressed in uniform for virtual learning.

Video cameras must be on during class, unless when using the device for application assigned by the teacher.

To Pastor Marshall for a stirring message about praying for what we need, not for what we want. God will bless us with the desires of our heart when we live for Him!

Hybrid Learning Update:

Hybrid learning will be postponed until further notice. There has been a delay in this feature due to new CDC Guidelines and services needed to get the building ready. Weekly updates will be given to keep you informed.
